Hi Carl

Sorry in my delay for responding this, but yes, I did get a chance to read over the complaint.

The only lingering question I had after that involves what kind of an impact a finding in your favor might have on other people looking to design around state codes. How do you think it could end up changing state law websites overall?

Do you have what you need? Do you see our cross-complaint?

Hi Carl

We were just getting ready to publish our piece on all this, but wanted to touch base with you before we did now that you all have filed the countersuit.

Do you have any specific thoughts on the decision to file that suit you'd want to add after our conversation? What do you think it can achieve?

Appreciate it.

Attached is a list of pieces I've seen about Georgia. Take them with a grain of salt ... not all of them are accurate. Daily Report, AP, and LA Times all did a pretty good job.

The docket for the case is here:

Our reply is due 9/14.
