We have representation and I'm not looking for legal advice.

I'm looking for people who think broader access to the OCGA is an important issue and might perhaps consider speaking up about it.

There's an article about our case attached. Let me know if you'd have a few minutes to chat.

Best regards,

Carl

Mr. Malamud, I doubt that there is anything I can offer by way of legal advice or representation. Do you have different questions?

Dear Ms. Holmen –

I run a nonprofit group called [Public.Resource.Org](http://Public.Resource.Org) that has been recently sued by the State of Georgia for posting the Official Code of Georgia Annotated.

Might you have a few minutes for a phone call with me?

Best regards,

Carl Malamud
