Subject: Georgia Code Revision Commission -- Open Records Request

Wayne,

We are requesting inspection of the current **Official Code of Georgia Annotated**. At time of inspection, we will bring our own photographic device for electronic reproduction of this open record, as provided by OCGA 50-18-71(b)(1)(B), for publication on WXIA-TV 11 and 11alive.com

Please let us know when such inspection and photographic reproduction is convenient for your office.

If you or anyone else at the Georgia Code Revision Commission are not the custodians of these records, please forward this ORR to the custodians or reply with their contact information. If you are claiming an exemption or exception to the Open Records Act to deny this request in whole or in part, please cite the particular exemption/exception and any relevant case law. In that case, if there is a state agency that holds these records that may not be exempt or excepted from the Open Records Act, please reply with the name and contact information for that agency.

Thank you in advance for this consideration, and for prompt inspection of the people's records.
