I've been away so this is awesome. I'll send you the follow-up story as soon as it's posted.

Also, I'm not sure I ever got this to you before I went away, but I've attached the WestlawNext article and the full print issue. This WestlawNext article is saved in a repository that's deleted after 30 days so I can send you the real version when I send you the story about the answer/cross-complaint.

Let me know if you have any questions.

And, btw, thanks for the Twitter follow!

Hi Carl,

My name is Melissa Sachs and I'm a senior legal writer with Thomson Reuters where I write the [Westlaw Journal Computer & Internet](#).

I wanted to write about *Code Revision Commission et al. v. [Public.Resource.Org Inc.](#)*, No. 1:15-cv-2594, *complaint filed* (N.D. Ga., Atlanta Div. July 21, 2015). I saw an answer was due Aug. 14.

I wanted to know if you had any comments about the suit or an update about the response filing.

Because I'm not sure what's going on with the case, I don't really have a deadline for the article – but if you could respond to me within a day or two, I'd like to write a story about

article – but if you could respond to me within a day or two, I'd like to write a story about this ASAP (today, tomorrow, Thursday).

Just let me know either way! And, let me know if there is someone else who I should contact.

Thank you very much!

Best,

mjs
