---

Dear Carl,

I know you have your people, but if you ever need local counsel I am based out of Atlanta. I actually have done a bit of research on this topic and was hoping to do a survey of laws on this issue.

As for Georgia's letter—even if [Resource.org](#)'s actions count as infringement, Georgia isn't the proper party.

Sincerely,  
John William Nelson  
Attorney & Counselor at Law
