Sure, I'd be happy to talk. You want to call me? I'm free for the next hour, then dive into phone calls. 707.827.7290. Email is fine if you prefer.

Do you have the background materials that I've posted?

1. The court case is here:

2. My paper trail with the state of Georgia is here:

3. My testimony on Edicts of Government, including a discussion of Georgia, is here:

(if you follow the links to the Internet Archive full hearing, 4 members took a strong stance on this subject, including 2 Georgia congressman (Hank Johnson and Doug Collins) as well as Darrell Issa and Zoe Lofgren ... scroll down into the description and you'll have direct links to their statements)

4. We had a similar showdown with Oregon but no court case. They did the civilized thing and held hearings and then decided that the law belongs to the people.

Hi Carl,

Do you have any comment on Georgia's lawsuit? Would love to include it in my story.
