Hi, it's good to hear from you. We had heard about this, and are anxious to speak with you about it. I've copied so of my folks on this, and will circle back and be in touch. Thanks.

Dear Ms. Manheimer –

Steve Gottlieb and Doug Ammar both suggested that I speak with you.

My non-profit group is being sued by the State of Georgia for posting the Official Code of Georgia Annotated. We're represented pro bono by Alston and Bird. I'm attaching a recent article from the Daily Report about the case.

Might you have a few minutes to speak with me? I'm looking for suggestions on people who might be willing to submit affidavits saying that they think access to the official code is of interest to citizens of Georgia.

Best regards,

Carl Malamud
