RE: REQUEST

Dear Sir or Madam:

Under the provisions of Mississippi Code Annotated § 25-61-1 et seq., I am requesting copies of any and all documents, communications, correspondence, agreements, contracts, releases, internal memoranda, meeting notes, notes, research or any other writings relating to:

1. the State of Mississippi's relationship with LexisNexis, as publisher of the Mississippi Code of 1972 Annotated, as amended, modified, and revised from time to time ("Mississippi Code") and/or any unit of the LexisNexis Group;
2. any contract between the State of Mississippi and LexisNexis, and/or any unit of the LexisNexis Group relating to the publication of the Mississippi Code;
3. any discussion between the State of Mississippi and LexisNexis relating to the publication of the Mississippi Code by Public.Resource.Org;
4. any discussion or consideration by the State of Mississippi of another publisher relating to the publication of the Mississippi Code, i.e. Thomson Reuters (West); and
5. any bids received by the State of Mississippi from another publisher relating to the publication of the Mississippi Code.

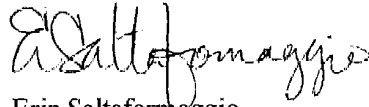

In order for you to determine my status for purposes of assessing fees I am an attorney for Public.Resource.Org. I am willing to pay fees for this request, anticipating that the documents will not be too voluminous I am enclosing a check in the amount of \$25 payable to your office. If the copying charges exceed \$25 please let me know immediately and I will forward sufficient funds to cover any costs associated with this production.
