Carl,

I've heard today that my DMCA take-down notice has been submitted for review and discussion by various copyright scholars, including the University of Idaho's own Annemarie Bridy, whom I know well. Frankly, I did not think that the issues generated by a DMCA take-down notice were that complex, particularly given what I thought were the fairly limited requests stated in the notice and the clear statutory guidance provide regarding responsive obligations.

Annemarie is going to be kind enough to ask you to call me tomorrow, but given your email from Friday I thought I would reach out as well and give you my direct line: 208-388-4875.

I look forward to talking to you.

Thanks,
Brad Frazer
