Carl,

"Revenge of the potato people"?

You are not obligated to keep it a secret, no. But using social media to make us look like rubes when the statute provides a very well defined response mechanism is not helpful to the discussion, no.

When may we speak? I think a call would be helpful here.

Thanks,
Brad

Hey Brad. Good to hear from you.

[Annemarie to bcc. She doesn't represent us, merely made the intro. No need to overload her mailbox.]

Not sure how that isn't helpful. You sent us a DMCA takedown notice. That's a pretty big deal ... all I did was tweet that we received the letter. Was I supposed to keep it a secret?

What gives?

Brad -

Great to hear from you. I'm totally slammed in the morning, let me look at this tomorrow and reach out to you then after I've had a chance to look at this.

Yes, we get a lot of scholars looking at this stuff and talking but I imagine you get the same! We have a pretty standard response letter ... somebody sends a DMCA, we have the tech and legal teams take a look at it and generate the standard response. That's in the works, let me get back to you tomorrow or Tuesday.

Looking forward as well!

Best,

Carl
