He's a little tone deaf isn't he? We sent his response out via priority mail. He'll get an email copy in a little while.

Thanks for making the connection.

Brad -

Great to hear from you. I'm totally slammed in the morning, let me look at this tomorrow and reach out to you then after I've had a chance to look at this.

Yes, we get a lot of scholars looking at this stuff and talking but I imagine you get the same! We have a pretty standard response letter ... somebody sends a DMCA, we have the tech and legal teams take a look at it and generate the standard response. That's in the works, let me get back to you tomorrow or Tuesday.

Looking forward as well!

Best,

Carl
