Didn't meant to cause offense. It's the potato state. Sorry about that. Humor sometimes doesn't translate to twitter very well.

Our answer attached.

Dear Secretary Ysura, President Pro Tempore Hill, Speaker Bedke, and Members of the Idaho Code Commission:

Public.Resource.Org is in receipt of the communication of July 12, 2013 from Mr. Bradlee R. Frazer of Hawley Troxell Ennis & Hawley LLP concerning your notice under 17 U.S.C. § 512(c)(3), the Digital Millennium Copyright Act. Your notice claims copyright infringement for the publication of the Idaho Code without having secured from you first a "royalty-free copyright license ... to reproduce and display the native, underlying statutory code content." In addition, your letter claims additional rights, for which you apparently will not grant any license, for all text which falls outside of the red boxes you drew on the Idaho Code, constituting what you describe as "analyses, summaries and reference materials."

We respectfully decline to remove the Idaho Code and respectfully reject the distinction between "native" code and additional materials, as both are integral part and parcel of the only official Idaho Code, such material constituting the official laws of Idaho as published by the state.
