I'll check out the answer. Thanks for sending it. And Idaho is, btw, the Gem State; it raises lots of potatoes, true. Since I'm now an Idahoan, I'm sensitive to the potato jokes and to being asked how I like living in Iowa :) And re. your message yesterday, please do let me get back to you about coming to give a talk at the College of Law. We're in Moscow, so we're a little out of the way. But the students (and faculty) are always grateful for people who take the time and trouble to come. We have an active IP Law Society, and the students are on the lookout for good programming for the coming academic year.

Didn't meant to cause offense. It's the potato state. Sorry about that. Humor sometimes doesn't translate to twitter very well.

Our answer attached.
