Congratulations, Ilana!! A rare win for a Dem in Idaho. Let me know if you'd like to proceed with this. If so, I'll need to reach out again to the students ASAP to check their plans.

Ilana … you rock! 63%!! Congratulations.

Are we going to do the Idaho code? I'd love to see it happen.

I think we're going to be able to clear title on the Delaware code (they have a 3 month jail term on the books for unauthorized copying!!), but the incoming Attorney General aware of this and we sent him a book, I think he's going to get the provision stricken.

Would love to see Idaho resolve itself as well.

Congrats again. That's a pretty decisive mandate.

They'll need to know by then whether there's a for-credit project for them to do. I know that's close in time to the election, so I thought I should flag it for planning purposes. I know we talked about your writing a letter to formally invite me and my students (and, by extension, the College) to become involved, and I continue to think that's the best way to initiate things on our end.

All the best,

Annemarie
