OK. I'm about to leave town and don't want to leave you hanging while I'm out, so maybe I'll just go ahead and mail this to you now, and if you choose not to run with it that's fine, but you'll have it in hand if it's useful.

Let me see where the students are in their thinking about this.

Thanks, both of you. It was quite a slog and am glad to have the campaign behind me, and am back at work for a couple of months. I have the letter here drafted and ready to go, except am waiting to hear back from Luke Malek on whether he wants to co-sign. If you need it right away, I can just sign and send as-is. Let me know. Thanks.

Congratulations, Ilana!! A rare win for a Dem in Idaho. Let me know if you'd like to proceed with this. If so, I'll need to reach out again to the students ASAP to check their plans.

Ilana ... you rock! 63%!! Congratulations.

Are we going to do the Idaho code? I'd love to see it happen.

I think we're going to be able to clear title on the Delaware code (they have a 3 month jail term on the books for unauthorized copying!!), but the incoming Attorney General aware of this and we sent him a book, I think he's going to get the provision stricken.

Would love to see Idaho resolve itself as well.

Congrats again. That's a pretty decisive mandate.

Hi Ilana,

I wanted to touch base with you about the Idaho Code project. In the way of timing, registration for Spring classes opens for my students on November 10th. They'll need to know by then whether there's a for-credit project for them to do. I know that's close in time to the election, so I thought I should flag it for planning purposes. I know we talked about your writing a letter to formally invite me and my students (and, by extension, the College) to become involved, and I continue to think that's the best way to initiate things on our end.

All the best,

Annemarie
