Would you mind holding off until I give you the signal? I don't want to get out in front of Ilana, and I know she doesn't want to be out in front of her colleagues.

They're doing a wonderful job. I think if I quietly put it up on my paper trail, it makes it a little more real. I'm not going to incite boingboing or anything, but I think their work should be public.

I'll do that Friday morning.

Very nice work.

Attached are the first fruits of Randi and Jordan's work on the Idaho Code project. Please let me know what else we can do for you.

All the best,

Annemarie
