I'm pretty busy for the next 10 days. Lot going on.

I don't need a signal, but I have other stuff to worry about for a while.

Would you mind holding off until I give you the signal? I don't want to get out in front of Ilana, and I know she doesn't want to be out in front of her colleagues.

They're doing a wonderful job. I think if I quietly put it up on my paper trail, it makes it a little more real. I'm not going to incite boingboing or anything, but I think their work should be public.

I'll do that Friday morning.

Very nice work.

I guess it is, because it's correspondence with a member of the Idaho legislature? You certainly know better than I do what's covered by open records laws!! Randi and Jordan are doing a fantastic job. I'm very proud of them. We'll see what develops...

Dear Ilana,

Attached are the first fruits of  
Randi and Jordan's work on  
the Idaho Code project.  
Please let me know what else  
we can do for you.

All the best,

Annemarie
