Idaho Code Commission  
P.O. Box 83720  
Boise, ID 83720-0080

Dear Custodian of Records:

Under the Idaho Public Records Act § 9-337 et seq., I hereby request an opportunity to obtain copies of public records that record, transcribe, describe, or refer to a meeting, held on or about January 30, 2014, of the Idaho Code Commission, including, but not limited to, the item on the meeting agenda (currently posted at <http://www.sos.idaho.gov/pubs/sospubs.htm>) "Update on copyright infringement claim."

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. However, I request a waiver of all fees because the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the operation of the Commission and its policies. Public.Resource.Org is a non-profit 501(c)(3) organization whose mission is to make legal materials and other government information more broadly available. We do not seek these records for commercial purposes but rather will use them to educate the public on policy and legal issues.

The Idaho Public Records Act requires a response within three business days. If access to the records I am requesting will take longer than three days, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for processing my request.

Dear Sir:

I have been in correspondence with Mr. Bradlee R. Frazer of the firm Hawley Troxell who has written on behalf of the Idaho Code Commission and the Secretary of State in regards to the posting of copies of the Idaho Code.

Your web site indicates that this matter was discussed at the January 30, 2014 meeting of the Idaho Code Commission held in Room E205 of the Secretary of State Conference Room.

If the Idaho Code Commission would grant me the privilege of appearing before you in a subsequent meeting, I would appreciate the opportunity and would be happy to travel to Boise for such an appearance.

Thank you for your consideration of my request.

Sincerely yours,

Carl Malamud
