Requested Records	A digital copy (in a format such as PDF, Word, or HTML) of the entire Oregon Fire Code. I am aware of your web site, but I want a complete copy I can put on my computer that I can search. I prefer PDF format, but am happy with Word, HTML, or other electronic version that lets me have the complete code.

Greetings -

My request was very specific. I said I was aware of the icc web site. That is not what I asked for. I would like the entire fire code to keep on my computer, not access to an internet web site which is dependent on the Internet working . Specifically I requested a format such as a PDF file.

Do you possess the record that I am requesting? If so, please make that available to me.

With best wishes,

Carl Malamud

Hi Carl – Sorry I was unclear. The document is held by ICC and the link provided below includes an option to purchase a PDF download version which you could save to your computer to use as you wish.

Thanks,
