Dear Ms. Kleinfelter,

I write in response to your previous correspondence regarding my request for documents under Tennessee's Public Records Act. In order to streamline the process and prioritize delivery of only the most essential documents, I have narrowed the request as follows:

1. All agreements and related amendments thereto dated or in effect from 2016 to the present between Tennessee and Lexis, Westlaw, or any other third-party service provider and/or their parents, subsidiaries, agents, successors, or assigns, relating to the drafting, preparation, or publication of the Tennessee Code Annotated.
2. Any and all transcripts, meeting minutes, agendas, memoranda, slide decks, or similar documents related to meetings of the Tennessee Code Commission from 2016 to the present. This should include any agendas or other documents created or received in preparation for the meetings and any minutes or other similar documents concerning the meetings.

I appreciate the Revisor's consideration of and engagement with this request and look forward to receiving the documents and records as soon as possible. Thank you for your time.

Kind regards,

Gautam Hans
