Mr. Winston Bennett
Chief Executive Officer
CARICOM Regional Organisation for Standards and Quality (CROSQ)
2nd Floor, Baobab Building

Dear Mr. Bennett:

I am in receipt of your **memorandum of February 14, 2014**, summarizing our Internet phone call of February 11, 2014. I would like to thank you, Ms. Alleyne, and Mr. St. Prix for taking the time to speak with us. I found the discussion to be productive and I believe we share mutual goals of promoting the use of standards as a means of promoting the public safety, trade, and other desirable outcomes.

Public.Resource.Org continues to believe that posting of the CROSQ standards in question meets all legal criteria for edicts of government both in the United States and internationally, a position we summarized in our letter to you on **January 28, 2014**. However, without admitting any liability or waiving our rights, as a sign of good faith and our commitment to a mutually satisfactory outcome, we are happy to temporarily disable access to those documents pending our continued dialogue within the framework as outlined by you in your memorandum.

Thank you again for your time and I look forward to continued progress.

Respectfully yours,
