Dear Vice-President Kroes:

You will find attached a letter to your attention regarding availability of legally-mandated public safety standards, such as the Eurocode.

You may also find this document online at:

Please let me know if you or your staff has any questions.

On a personal note, let me say that I was grateful for your recent comments regarding the death of Aaron Swartz. I worked very closely with Aaron for a decade and your words meant a lot to me.

Best regards,

Carl Malamud
