Dear Ms. Oncu -

There were a couple of typos in my letter of yesterday. Nothing of substance, but I am retransmitting. (I failed to change the dates from 1999 to 2009 in a couple of instances. I'd be happy to send you a redline if you'd like.)

In addition, we've received the 8 additional takedown notices you sent to the Internet Archive, where we are responsible for maintaining the Public Safety Code Collection.

You will attached our response to all 9 of your queries, the one you sent directly to us and the 8 to the Internet Archive.

Best regards,

Carl Malamud
